MARCH 14, 2019

EXHIBIT HALL HOURS: 10:00 AM – 2:00 PM

CONFERENCE HOURS: 8:40 AM – 2:00 PM

Why attend Central Valley Facilities Expo?

Admission to the Exhibit Floor and Conferences is FREE –

You get informational and educational benefits similar to those of national shows, but without the attendance fees – and without incurring air fare and hotel expenses. The Modesto Centre Plaza is a venue that is convenient and user-friendly for attendees.

Meet with Exhibitors –

Our show floor will have exhibits in a wide variety of categories including energy management, HVAC, predictive maintenance, electrical systems, water conservation, lighting, software, safety and many more – staffed by experts who can answer your technical questions. From the floor to the roof – our exhibitors have you covered.

Educational Conference Sessions –

Topics include energy-efficient lighting, case histories about E&J Gallo, the Superior Court of California at Stockton and Stockton Metropolitan Airport, intelligent control valves, electric vehicle charging, OSHA ladder regulations, big data analytics' affect on maintenance, trained falcons for pest bird control, flow meters, ultrasonic testing, daylight harvesting, better audiovisual presentations, flooring, and more.

Managing Green Buildings –

The Managing Green Buildings portion of Facilities Expo will help you be up to speed on products and services that can help save energy and water; meet energy and environmental regulations; apply toward LEED, Living Building Challenge or ENERGY STAR certification; qualify your facility for utility rebates, and more. Along with the designated Managing Green Buildings section of the show floor, at least half of the educational seminars in the conference focus on energy-efficiency and sustainability.
